WORK HISTORY

RBA Design, & RBA Furniture Solutions LLC - Intern Architect - Seattle, WA 2015-Present

I perform architectural design and permitting services for corporate office and retail projects from concept to CA. Also, I create install drawings for large and small corporate office furniture installations.

the design COLLECTIVE - Intern Architect - Seattle, WA 2013-2015

I collaborated on commercial and retail projects from concept to design development for a major Seattle coffee company. I also aided in concept to construction administration services for new multi-family, and multi-plex cinema projects. Lastly, I have completed as built for residential and commercial projects.

Barbakoff Design LLC - Owner, Designer - Bainbridge Island, WA 2010-Present

I provide design services, drafting, 3-D modeling, project management, construction management, and energy analysis to architecture firms, contractors, and directly to clients. Sample contracts include:

- GCW Architecture | Interiors - Seattle, WA. - High-end residential, and furniture sales/design
- Milton Lam Architects - Bellevue, WA. - High-end residential and commercial design thru CA
- Indigo Architecture | Interiors - Bainbridge Island, WA. - High-end residential design
- Metro Energy Services - Seattle, WA. - Commercial and residential energy upgrade contractor

Habitat for Humanity - Construction Crew Leader - Milwaukee, WI 2010-2011

I served on AmeriCorps, leading volunteer construction crews to build over forty Energy Star houses that are simple, decent, affordable homes for low-income families.

Montgomery Gulf Corporation - Project Designer - Seattle, WA 2009-2010

I was a consultant as part of the capital campaign for a new space for a homeless youth non-profit, PSKS.

Stickney Murphy Romine Architects - Intern Architect - Seattle, WA 2008-2009

I worked under project architects and principals on their affordable housing and historical preservation projects, drafted and coordinated with engineers and consultants, submitted for permit, went on site visits, took site photos and measurements, and went through a punch list.

Sente Rubel Bosman Lee Architects - Intern - Northbrook, IL Summer 2006

I assisted in drafting their municipal buildings: fire stations, a miniature golf course recreation building, and a warehouse. I coordinated with consultants on many phases of projects.

Department of Construction and Permits - Intern - Chicago, IL Winter 2003-2004

I shadowed several permit drawing reviewers through the whole permit process.

Gustitus Group Inc. Architecture/Preservation - Intern - Chicago, IL Summer and Winter Intermittent 2001-2007

I drafted under the principal architects, aided in the critical examination of exterior facades, took projects through the permit process for several projects, aided in water infiltration tests, and organized the office.
